FOR IMMEDIATE RELEASE

Manager for Akron-Cleveland Operations

ms consultants is pleased to announce the addition of **David Hartman, P.E.**, to our professional staff.

He will be coordinating the Akron and Cleveland offices for the engineering/architecture/planning firm, with his main focus being marketing efforts in the region for environmental, transportation, commercial, architecture and construction services. He will be responsible for working with the **ms** business units and project managers and launching new business opportunities to position the firm for the future.

The firm recently moved its Akron office to a new location downtown in the United Commerce Building at Main and Market Streets.

Mr. Hartman served overseas in the U.S. Army, and early in his career worked for the Ohio EPA as a District Engineer before joining the Medina County Sanitary Engineering office as the Assistant Sanitary Engineering Director. He most recently worked for the firms RE Warner & Associates, Inc. and ARCADIS in northeast Ohio.

He is a University of Akron graduate and a Registered Professional Engineer in Ohio.

He also serves on the Board of Directors for the Ohio Society of Professional Engineers and the Water Management Association of Ohio, as well as being a member of the Association for Facilities Engineering, the Ohio Chamber of Commerce Environmental Committee, the Ohio Manufacturer's Association Environmental Committee, and the Ohio Public Works Commission Executive Committee (District 9).

Mr. Hartman can be reached at 330.258.9920 or dhartman@msconsultants.com.
