Portage Lakes Career Center Adult Education Accepting Registrations for Fall Classes

Green, OH, April 7, 2009: Portage Lakes Career Center Adult Workforce Development is now accepting registrations for fall classes. Are you interested in getting ahead or thinking about a career change? Portage Lakes Career Center Adult Education offers comprehensive education and training services that are key to individuals entering the job market, seeking a new career, or looking to update their qualifications. Adult students at the Career Center are prepared with quality and affordable education and training that enable them to work in their field of study in less than one year. **Fall classes start September 2, 2009.**

Data from the Bureau of Labor Statistics shows shortages of workers in skilled occupations up to the year 2016. Research also indicates a real need for students to gain skills in the health care, information technology, and industrial and service industries. Positions such as Medical Assistants, Medical Billers and Coders, Pharmacy Techs and Health Unit Coordinators show an increase in need between 18 – 35%. According to the Ohio Bureau of Labor Statistics, 7 of the 20 fastest growing occupations are health care related. Employment of computer and information systems managers is expected to grow 16 percent over the next several years. New applications of technology in the workplace will continue to drive demand for workers, fueling the need for more managers. Industry trades such as Heating and Cooling

Technicians, Auto Technicians, Building Trades and Welding also show an increase in need.

Join us at our **Open House, May 14**, 2009 from 7-9 pm to learn more about our programs and services that are continually upgraded and expanded to remain current with today's changing technology and job market. Please contact us at 330-896-8200 or visit our web site at www.plcc.edu for course descriptions or questions. Portage Lakes Career Center is located at 4401 Shriver Road, Green.
