## Safety Training Required for the 2011 Policy Year

---

As a member of our group or group retrospective rating program, CareWorks Consultants, Inc. would like to remind you of your two-hour safety training options for the 2011 policy year.

This two-hour safety training is mandated by the Ohio Bureau of Workers' Compensation (BWC) every policy year. It applies to all employers participating in a group or group retrospective rating program who have experienced a workers' compensation claim(s) within the dates of January 1, 2009 through December 31, 2010. Employers will have until June 30, 2012 to complete two hours of safety training. As your group sponsor, we offer convenient options to help meet this requirement which are listed below.

Developed for employers with unpredictable schedules, our online training site provides the ultimate convenience by enabling employers to access training courses 24 hours a day, 7 days a week. Completion of two, one-hour courses fulfills the two-hour requirement and a fee of \$20 per course is payable by credit card through our online training system.
