FOR IMMEDIATE RELEASE:

Chamber Seeks Nominations for 30 for the Future Award for 2012

The Greater Akron Chamber is accepting nominations for the 2012 *30 for the Future* Awards. As part of the Greater Akron Chamber's strategy to attract and retain talent in the region, the "30 for the Future" award honors young professionals (ages 25-39) whose stellar contributions impact their industries and the Greater Akron Region.

Recipients are nominated by members of the Chamber and regional profit and non-profit organizations, including many of the region's young professional organizations. Independent committees will select the recipients based on the finalists' Leadership Documents and nomination forms, which showcase professional and community accomplishments, team building, leadership and creativity in overcoming obstacles.

Nomination forms can be found on the *30 for the Future* section of the Chamber's website at www.greaterakronchamber.org. The deadline for nominations is Friday, March 30, 2012.

The award recipients will be recognized at an evening ceremony in September. In addition, recipients will be profiled in a special print and electronic publication distributed to Greater Akron Chamber members and other tri-county area business leaders.
