FOR IMMEDIATE RELEASE:

Chamber Seeks Nominations for 30 for the Future Award for 2011

The Greater Akron Chamber is accepting nominations for the 2011 *30 for the Future* Awards. As part of the Greater Akron Chamber's strategy to attract and retain talent in the region, the *30 for the Future* award honors young professionals (ages 25-39) whose stellar contributions impact their industries and the Greater Akron Region.

Recipients are nominated by members of the Chamber and regional profit and non-profit organizations, including many of the region's young professional organizations. An independent Selection Committee will choose the recipients based on the finalists' Leadership Documents, which showcase professional and community accomplishments, team building, leadership and creativity.

Nomination forms can be found on the *30 for the Future* section of the Chamber's web site at www.greaterakronchamber.org. The deadline for nominations is Tuesday, March 29, 2011.

The award recipients will be recognized at an evening ceremony in September. In addition, recipients will be profiled in a special print and electronic publication distributed to Greater Akron Chamber members and other tri-county area business leaders.

Contact Angela Presutti at (330) 237-1263 or presutti@greaterakronchamber.org for more information.

###

The mission of the Greater Akron Chamber is to drive economic development and prosperity for the people of the Greater Akron Region.
