

**Simplex-IT Invites You To Our Next *Free* Lunchinar:
The Magic of Unified Communications – Microsoft Lync and Office 365!**

Today's workers are ALL mobile, whether they are on the road or not; a recent study found the average employee was at his or her desk only 40% of the time. Yet most companies' communications infrastructure is designed for a deskbound workforce. Happily there IS a better way!

During Simplex-IT's next *free* lunchinar, you will learn about Microsoft Lync, an often under-appreciated component of Office 365. Offering secure instant messaging, Internet-based voice, video conferencing, collaborative whiteboarding, presence and seamless document sharing *on almost any device*, Lync is transforming business productivity. If you'd like to see how your information workers can get more done in less time, this presentation is for you!

Where: Hattie's Café, 164 N. Main Street, Hudson

When: Wednesday, February 15, 2012 from 11:30am-1:00pm

As a bonus, we will be awarding door prizes of Windows 7 and Office 2010 to two lucky attendees. Free food AND free software - how awesome is that!

We remind you, though, seating is limited. To reserve yours, email John@Simplex-IT.com or call 234.380.1277. Come join the fun!
