

KNOW on the GO!

What is KNOW on the GO!

- KNOW on the GO is a monthly luncheon for KNOW members only. It is intended to help build stronger relationships, share ideas and best practices outside of the quarterly luncheons.

How many KNOW on the GO groups are there?

- Currently there are 6 different KNOW on the GO groups.

When and where do they meet?

- Each group meets on a monthly basis, typically at a local restaurant or at a member company during the lunch hour.
- Each luncheon lasts about an hour (sometimes more) and there is usually a topic of discussion decided prior to the meeting date.

How do I get involved?

- If you are not already a member of the KNOW, what are you waiting for? **First**, you must be a KNOW member. **Second**, each month you will receive an updated KNOW on the GO calendar indicating when and where the luncheons are going to be. **Third**, register with the facilitator for the lunch of your choice.

What do I do if a meeting is sold out and that is the one I really want to attend?

- If this happens, each facilitator should have a waiting list that you can be added to. One week prior to the lunch you should receive an email if an opening becomes available.

Can I attend more than one KNOW on the GO luncheon?

- Yes, however, if you are already attending multiple luncheons we ask that you limit it to two groups.

How do I become a facilitator?

- Each facilitator is a member of the KNOW Membership Committee. If you are interested in hosting a KNOW on the GO luncheon and wish to join the committee, contact Angela Presutti at (330) 237-1263 or presutti@greaterakronchamber.org.

The mission of the KNOW is to cultivate the talent within one another by reaching out to today's women executives and tomorrow's leaders.
