DAN MAURER EARNS CERTIFIED BAKER DIPLOMA

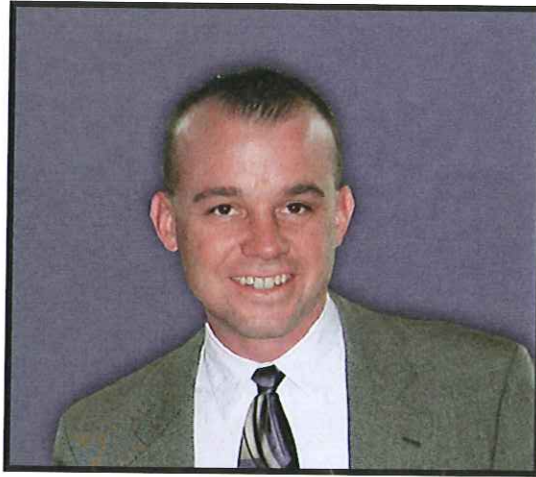

Akron, Ohio – Main Street Gourmet is pleased to announce that Daniel T. Maurer, Director of Research and Development, has successfully completed the requirements in the study of Cake and Sweet Goods set forth by the faculty of the American Institute Baking (AIB) School of Baking, and has been awarded his diploma as a Certified Baker.

A Certified Baker diploma from AIB requires completion of the following curriculum: the Science of Baking Foundations, Ingredient Technology, Sweet Goods and Icings, Applied Baking Science, Production Management, Gourmet Cookie Production, Batter Cake Production, Foam Cakes, Cheesecakes and Icings.

The American Institute of Baking, located in Manhattan, Kansas, works closely with local Grain Science and Trade Organizations. AIB also maintains links and working relationships with many other associations including Food Production, Equipment, Food Safety, Trade Development and Food Legislation groups.
