County Executive Russell M. Pry Honored with National Budget Presentation Award

The Government Finance Officers Association (GFOA) of the United States and Canada recently named Summit County Executive Russell M. Pry's Department of Finance and Budget as a recipient of a 2010 Distinguished Budget Presentation Award. The honor reflects Executive Pry's commitment towards meeting the highest principles of governmental budgeting.

In order to receive the budget award, the County of Summit had to satisfy nationally recognized guidelines for effective budget presentation. The guidelines were designed to assess how well the budget serves as: a policy document, a financial plan, an operations guide and a communications device.

This is the eighth consecutive year the County of Summit Department of Finance and Budget has received this top honor.

The Government Finance Officers Association is a nonprofit professional association serving over 17,600 government finance professionals throughout North America. The GFOA's Distinguished Budget Presentation Awards Program is the only national awards program in governmental budgeting.
