Leading information technology firm, [AtNetPlus](#) today announced that Partner Jay Mellon has been elected to serve on the Board of Directors of the Akron Better Business Bureau. The BBB works to promote the highest ethical standards between local businesses and the clients they serve.

"We are pleased that Jay has agreed to serve on our board of directors this year," noted President Victor Wlaszyn. "We are fortunate to have a dedicated group of men and women whose diverse backgrounds broaden the perspective of our organization. We're looking forward to Jay's input as we work to find innovative solutions to the challenges brought before the board," concluded Wlaszyn.

Mellon stated, "I'm honored to have the opportunity to give back to this great organization. My company strives to uphold high ethical standards and serving on the board with a group of like-minded business people reinforces those values for all of us."

Mellon joins new board members: Timothy Englert, President, Tim Englert Construction, Inc.; Gary Grant, Jr., Director of Revenue Operations, FirstEnergy Corp; Barbara Gruse, Director of Customer Service, Sterling Jewelers, Inc; and Ravi Krovi, Acting Dean, College of Business Administration, The University of Akron.

About AtNetPlus

AtNetPlus specializes in working with small and mid-sized organizations that are technology dependent. We offer solutions that are typically not available to smaller enterprises. Access to our services improves productivity and helps smaller companies stay competitive. AtNetPlus -- we keep you connected, secure, and working.

About Akron BBB

Our mission is to promote and foster the highest ethical relationship between business and the public through voluntary self-regulation, consumer and business education, and service excellence.

We have been serving the people of Ohio since 1920, and continue our proud commitment to help make Ohio a better place to do business.
